Harry N. Hammond Seed Co., Limited

BAY CITY, MICHIGAN

Bay City, Mich., Mich., January 25, 1904.

Below is a list of varieties which we have in surplus (nearly all crop of 1903, few crop of 1902, all of good germination) which we offer at the attached prices, F. O. B. Bay City, bags extra at value, terms Cash. for prompt acceptance, and subject to previous sale. Where prices are very low (see Cabbage, Cauliflower and Onion) this indicates large surpluses and does not indicate inferior stocks. We are not offering questionable stocks nor stocks of low germination.

When Ordering Mention Our "January 25th Surplus List."
